20 SEPTEMBER 15

Angèle + Legere

Thank you so much for a wonderful stay! It was so much more than we expected. You are fabulous hosts.

Les Iles de la Madeleine are lovely. We explored from one end to the other, and since we are travel agents, we looked at some of the other cottages offered. Your home is by far the best!

We hope to return someday, and if any of our clients want to come here, we will certainly recommend your house as a place to stay.

Thank you again
