

# 4 Cycling the Eastern Islands

## Pointe aux Loups, Grosse Île and Grande Entrée

**Route type :** Linear

**Distance :** 58 km (from the Cap-aux-Meules harbour)

**Bikeway type :** 100 % roadway

**Surface :** 100 % paved

**Level :** Intermediate

**Description :** Where else could you sit astride your bike and still be in such close contact with the sea ? Cycle for nearly sixty kilometres along the main road linking Havre aux Maisons Island, Pointe aux Loups, Grosse Île and Grande Entrée. Ride between the sky and the sea along a route where every turn offers magnificent new vistas. Ideal with light south-westerly winds.
