

3 Cycling around Bassin Havre Aubert Island

Suggested departure / arrival : Fleur de sable Craft Bakery

Route type : Loop

Distance : 25 km

Bikeway type : 100 % roadway

Surface : 100 % paved

Level : Intermediate

Description : The coast road takes you all around the western end of the island. This panoramic route runs by a number of distinctive architectural ensembles, including the church and presbytery at Bassin, and the Anse à la Cabane lighthouse standing proud atop its red cliffs. In passing, you will also get a glimpse of Corps Mort Rock in the distance. There are plenty of hills and valleys along this road to keep serious sport cyclists happy. When the wind is coming from the south-west, it is wise to take this circuit in a counter clockwise direction.
