

July 17-24, 2016

Angèle and Léger

We were very fortunate to have the use of your house for our week at The Magdalen Islands. It was very clean and comfortable and was equipped beyond our expectations. We travelled from one end to the other and saw many unique and beautiful vistas. We had a lovely stay but, of course, too short. Many thanks for your generous hospitality and <sup>we</sup> <sup>will</sup> surely recommend your house.
