Angèle + Legère

Thank you so much for a wonderful stay! It was so much more than we expected. You are fabulous hosts.

Les Isles de la Madeleine are lovely. We explored from one end to the other, and since we are travel agents, we looked at ~~some~~ ^{some} of the other cottages offered. Your home is by far the best!

We hope to return someday, and if any of our clients want to come here, we will certainly recommend your house as a place to stay.

Thank you again

THANKS FOR OUR STAY AT "CHEZ ANGELE"!

Up first it could be the cleanliness that we want to thank you for; it could also be for "our" nice room out back with the wonderful closet; or it could be your friendliness and hospitality; and not to forget your organizational skills: they are through the roof! (I will never again think, that I'm organized!! lol)

Thank you, for making our stay on the Islands so easy and memorable! We appreciate all the work that you do very much.

Kind regards,
Heidi & Dave
