Angèle & Léger -

Thank you so much for everything you both did to make our stay so enjoyable & fun. Your home is spotless & your sucre à la crème is delicious - in fact the best we have ever eaten.

We are so happy to have found your place - centrally located, easy to find, with so helpful directions for everything we wanted to do & see. Will certainly tell our friends about your wonderful & welcoming hospitality. A great find. Thank you again -

Many thanks for your wonderful hospitality. We enjoyed our week at your home and you welcomed us as if we were family. The accommodation was far more than we had expected and everything we could ever want was provided. We enjoyed the produce from your garden, particularly the raspberries. We thoroughly enjoyed the Islands and found everyone to be very friendly. Thank you for recommending The Convent. The setting was beautiful and the meal was superb. A great end to a wonderful week spent on Îles de la Madeleine.

We really did not want to leave and hope to return in the future.

Many thanks for everything!
